01 — ABOUT US

About Destiny Fleet Management

Founded in 2002 by **Jigar & Preeti Kadakia**, Destiny Fleet Management was built to bring order and professionalism to the passenger transport industry — and to grow alongside the city it serves.

Managed by a young entrepreneurial team, we deliver complete transport solutions: airport and railway transfers, Mumbai local duties and outstation journeys — backed by experienced drivers and meticulous operations.

2002 Two decades of trusted service
